Discharge Summary - FICTIONAL DEMO DOCUMENT (synthetic data, not a real patient)

Hospital: Riverside Demo Hospital (fictional). Patient: Alex Example (fictional). Primary caregiver: Sam Example. Discharged on 20 October 2026 after an overnight stay for observation following a fall at home.

Follow-up appointment: Monday 9 November 2026 at 10:30 at the Riverside Demo Hospital Outpatient Clinic, Building B, second floor. Please arrive 15 minutes early to check in.

What to bring to the follow-up: the patient's current medication list, this discharge letter and the patient's identification card.

Transport: the patient must not drive to the follow-up appointment. The caregiver should arrange transport to and from the clinic before the appointment day.

Home care instruction: the patient should use the walking frame provided whenever walking at home until the follow-up appointment.

If you have questions about these instructions, contact the Outpatient Clinic team at the number on your appointment card (fictional).
